CONCRETE SEALER X-1 ***WATER-BASED***

Forms an invisible protective barrier on concrete, and masonry surfaces to make them harder, dustproof, oil, acid and moisture resistant.

Directions: Always test the surface to be treated in an inconspicuous area to ensure proper absorption by your concrete prior to applying this product to the whole area. Brush, roll or spray onto the surface to be treated. Allow to dry for 2 to 4 hours and then re-apply using the same procedure. Allow to cure overnight. If any white residue forms on the surface remove it immediately with a stiff brush or pressure washer.

WARNING: Keep out of reach of children and animals.

Always wear gloves and protective goggles when using this product.

1 Gallon (3.78L) 040210

1.FIRST AID

Eyes: Flush with cool water for at least 15 minutes. Call a physician.

Skin: Wash thoroughly with soap and water. Call a physician.

Ingestion: Call a physician. Never give anything by mouth to an unconscious person.

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration preferably mouth to mouth. Call a physician.

2.SPILL CONTROL

Eliminate all ignition sources and keep public away. Recover free product with absorbent materials and dispose of in accordance with local, State and Federal Regulations. Keep product out of sewers and water courses.

3. PROTECTIVE EQUIPMENT

Wear safety glasses or goggles and recommended protective gloves. If exposure exceeds TLV, wear NIOSH/MSHA approved respirator.

4. PRECAUTIONS

Do not get in eyes, on skin or clothing. Do not take internally. Wash thoroughly after handling.

5. GENERAL INSTRUCTIONS

Before using this product read Material Safety Data Sheet (MSDS). An MSDS is available upon request from Stone Technologies, Corp.

Note: Emptied container retains vapor or product residue.

HMIS Rating: H = 2, F = 0, R = 0, PP = X
