STONE SEALER #6

WATER BASED WITH A "WET LOOK"

A protective barrier for all types of natural stone surfaces including marble, granite, terrazzo, travertine, slate and limestone.

Directions: Apply the sealer to a clean dry cloth and rub onto the stone and allow the product to be absorbed for 10 minutes. Re-apply using same procedure and then allow to air dry for 24 hours. Do not over-apply.

***DANGER: Harmful or fatal if swallowed.
Keep out of reach of children and animals.***

Net Contents: 1 Gallon (3.78L) Batch # 090711

1.FIRST AID

Eyes: Flush with cool water for at least 15 minutes. Call a physician.

Skin: Wash thoroughly with soap and water. Call a physician.

Ingestion: Call a physician. Never give anything by mouth to an unconscious person.

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration preferably mouth to mouth. Call a physician.

2.SPILL CONTROL

Eliminate all ignition sources and keep public away. Ventilate confined spaces and keep public away. Recover free product with absorbent materials and dispose of in accordance with local, State and Federal Regulations. Keep product out of sewers and water courses.

3. PROTECTIVE EQUIPMENT

Wear safety glasses or goggles and recommended protective gloves.

If exposure exceeds TLV, wear NIOSH/MSHA approved respirator.

4. PRECAUTIONS

Do not get in eyes, on skin or clothing. Do not take internally. Avoid breathing vapors. Wash thoroughly after handling. This product is combustible. Always re-seal container tightly when not in use.
